COVID-19 UPDATE

The Asian Pacific Health Foundation is ceasing all outreach operations until further notice due to the coronavirus (COVID-19)

We understand that our outreaches provide many patients with basic medical screenings and follow-up medical care that they otherwise might not receive elsewhere. However, with the cancellation of these outreaches, we hope to minimize physical contact and subsequently reducing possible infective events.

Below are a few key materials from the CDC regarding COVID-19. You can also use the materials to educate the community.

Symptoms
Stop the Spread of Germs
What to do if You are Sick
